

POWER SUPPLY PS-24-01-036

- 24 V LED power supply
- For all ALA lamps
- 36 W peak load
- 24 W permanent load
- Lifetime > 3 years
- Short circuit protection

cULus  **IP42 LPS** **CE**

Output voltage	24 VDC
permanent load	24 W
ripple noise	180 mVp-p
voltage adj. range	24 V constant voltage only
load regulation	± 2 %
input voltage range	90 ... 264 VAC
input frequency range	47 ... 63 Hz
efficiency	84 % typ.
degree of protection	IP42
input connector	two-pin EURO plug, no earth connection, CEE 7/16 (Type C)
output connector	1-PS plug, type T5 female
over load and short circuit protection	recovers automatically after fault condition is removed
ambient temperature	from -30°C to +39°C
MTBF	600,8 Khrs min. MIL-HDBK-217F (25°C)
weight	0,4 kg

POWER SUPPLY PS-24-01-036
